

Statement of Software Destruction

(To be completed by Customer)

THIS STATEMENT OF SOFTWARE DESTRUCTION dated _____ (the "Statement") is provided by _____ (hereinafter "Customer") to PGSoft, Inc. (PGSoft).

Customer has purchased the software product(s) listed below (the "Product(s)") from PGSoft and wishes a refund from PGSoft for such Product(s). Should Customer be eligible for such a refund pursuant to the refund policy of the applicable software license or purchase agreement(s), PGSoft shall refund the amount received from Customer for the Product(s) once this Statement has been executed by the Customer in its entirety and received via facsimile by PGSoft. Should a refund be granted pursuant to the terms of the software license or purchase agreement(s), the refund amount shall be credited to Customer's credit card account within 30 business days after PGSoft's receipt of this completed Statement.

Customer shall enter the correct information below for each Product licensed to the Customer for use under the terms of the applicable software license agreement and for which Customer is seeking a refund:

Manufacturer	Product	Order ID	License Key

Customer shall provide the following information:

Customer's Name	
Street Address	
City, State, Zip	
Phone Number	
Phone Number	
E-mail Address	
Reason(s) for Desired refund	

By signature below, Customer affirms that:

- (I) The necessary measures have been taken to delete and /or destroy the Products(s), including any and all copies or any portion thereof, and associated documentation; and that
- (II) All information provided in this Statement is true and accurate.

Signature:

Note: In order for PGSoft to issue a refund, all sections of this Statement must be completely and accurately filled in by Customer; any incomplete or inaccurate information may cause delays in the refund process. If Customer does not receive a refund for the product(s) listed above within 30 days of confirmed receipt of this Statement by PGSoft at the fax number listed below, please email PGSoft at the email address listed below.
